

FALL 2020

Back to School

100% Juice Solutions with No Added Sugar

Totally Juice.

Farm & Orchard.

2020 Cafeteria Renovation: Adapting to Safety Standards

The leading supplier of frozen and chilled portion-controlled fruit juice can also be your source for shelf-stable juice!

Is your school cafeteria under stricter health guidelines?

The Centers for Disease Control and Prevention (CDC) highly recommends replacing self-serve food and drink options in cafeterias with pre-packaged meals.¹ SunCup™ 4.23 oz. and 6.75 oz. juice boxes are the perfect solution for grab & go meals.

ADDED PLUS: Our 100% vegetable juice (red/orange) and vegetable & fruit juice blends (other/additional) help provide necessary nutritional content for school meals.

School-Friendly Shelf-Stable Portion Sizes

100% Vegetable Juice &
100% Vegetable & Fruit Juice Blend

40-count case

4.23 oz. = 1/2 cup serving
veggies

40-count case

6.75 oz. = 3/4 cup serving
veggies

Introducing SUN₂O 4 oz. Water Cups

This school year will look different than past years as we continue to adapt to the “new normal”. The CDC encourages faculty and students to avoid using water fountains to minimize the spread of COVID-19.¹ SunCup™ is committed to meeting the need for safe and clean drinking water. Contact your local sales representative for more information about our 4 oz. water cups

ADDED PLUS: Suitable for in-classroom feeding and grab & go meals

Welcome Back Classics

4 oz. / 6 oz. Cups & Cartons

Students have enjoyed SunCup™ 100% juice cups & cartons for more than three generations, and this year doesn't have to be an exception. These 4 oz. and 6 oz. portion sizes provide a nutritious serving of fruit while minimizing touch points.
